

That this column is always written last, and the printers cut us down on all the interesting (?) items we have rounded up. For instance, Mrs. Black Snake scooped Mrs. Tiger Snake and presented the zoo with four little ones. In case you always wondered, these snakes are not hatched from eggs, and "Dr." Wesley Dickinson does not bring them in a suitcase. Somebody surely miscalculated Mother Tiger Snake's claws. What we're anxious to know, will she have 12 little babies, or 11?

That it was too cold for the Horton's from Texas, so they left sunny (?) California and her father and mother, Mr. and Mrs. E. R. Sipes, for their home on the range.

That we watched them move a boat in Cypress. It's not as wet as you think. John Farnell called a company with a crane to rent and one of the navy surplus boats was moved out of the way of the work which is progressing on two new fishing boats. You thought we'd been having bad dreams, didn't you?

That Barber E. V. Corby cut as mama cried a little "Arnie" Hoyt enjoyed his first haircut. Mama didn't really cry but she felt a twinge.

That Mrs. Ray Edwards is trying to figure out a way to establish contacts with those people who drive every day to Long Beach so that in case a driver's car falls, or some emergency arises a "friend in need" could be contacted for transportation. Many local people drive back and forth every day. Anyone with an idea?

That all of things! Going to school and at their ages, too, are W. C. Miller, "Sandy" Sanders, Jr., and "Pat" Arnold. They say it's a real estate school, but it takes them away from chamber meetings on Monday nights.

That Earl Sartwell is repairing an old clock, just for the heck of it, that is over 150 years old. Being a beautiful clock, it's worth it.

That we know more people who had birthdays recently and were almost too busy to celebrate them. Don Ruddy, in the Cypress Cleaners, took off last Saturday afternoon, late. Mrs. Carl Markel enjoyed the O'Leary's television and a cake on her natal day Tuesday, and Mrs. John Thomas, at the Triangle Drive-Inn would rather we didn't even mention the fact that she had one. In all of the rush of opening their son, David, developed the mumps.

That Secretary Warren Ter Best of the local fire department, is annoyed because no mention was made in last week's story of the heroic work of the volunteers. We're sorry we overlooked mentioning it, but being the only fire department in town, we naturally thought it was understood who put the fire out. We don't ever remember Warren's telling us a word, oral or written, about the work of the fire department. And he's the secretary, yet. How does he think a newspaper finds out things? So there!

That we had a lot more short-hand notes here . . . about Mrs. Siebert's little boy, Ralph, who cut his head open on Sunday while Karen was being visited in the hospital; that we saw the inside of the fire station on election day, now that it's all old stuff to everyone else in town . . .

P. E.'s Plan To Stop Cars Disapproved By Chamber

Protesting action of the Pacific Electric Railway company to discontinue passenger service on its present Los Angeles to Santa Ana line, interested members of the Chamber of Commerce discussed ways and means to attempt to influence the Public Utilities commission against approving the application now on file. Meeting last Monday evening, the group went on record as favoring a plan to cooperate with similar organizations in the other towns along the line which will be affected. This will probably call for an organized effort to have representatives present when the public hearings are held by the commission. Under the present set-up, Cypress would be without public transportation of any kind, since the plans at this time allow for buses, the nearest route being on Manchester boulevard. Stanton, Garden Grove and Artesia are neighboring towns in which the passenger service would be discontinued and no bus service provided to augment it.

No request is planned at the present time, but a watchful eye is being turned toward the traffic problem at the corner of Walker street and Lincoln avenue. It is a question as to whether or not the four-way stop sign, which was a much needed installation, is adequate. Traffic is increasing on the state thoroughfare, and with the town's constant growth a flashing signal would further add to the safety of pedestrians. This matter was tabled for the present time, for further study and checking.

Chairman Fred Mackay, of the sanitation committee, reported on the distribution of literature regarding the importance of the sewer bond election, and said that the election, which was held that day, carried for the town as a whole.

With regard to naming permanent boundaries for Cypress in preparation for the 1950 census, a great deal of difficulty has been encountered in that park districts, school districts and other existing lines do not coincide. The chambers in adjacent towns will be contacted and a further study made, after which the signboards at each entrance to town will be relocated. Also discussed was the possibility of obtaining from a county source an up-to-date street map from which quantities could be printed for use in the community. There is a strong demand for such a map, and it would be a decided advantage if one could be presented for use in this area by the chamber.

Since the P.T.A. has purchased two coffee makers which it has unselfishly earmarked for use by local organizations, chamber members voted unanimously to advance \$15 from treasury funds to help defray the expense of purchase of these portable, practical pieces of equipment. It was reported that they had been used very successfully at the fire meeting the week previously.

V. F. W. AUXILIARY SAYS "THANKS"

In response to its request for items to be used in the hobby shops of the veterans' hospitals, officers of the local VFW auxiliary to Post No. 9847 are most appreciative of donations already received.

In order to make pads for hospital beds, the workers could use any old sheets, pillow slips or even diapers for which there is no longer any use.

CORRECTION — PLANS CHANGE

Since last week's story carrying information that Signer dairies contemplated opening a cash and carry business at their dairy site on Juanita street, John Signer has informed the press that his plans were suddenly changed. He recently signed a contract with Edgemore farms in Santa Monica, and will ship the entire output of milk. This contract is effective for one year. Signer owns fifteen acres of land and has facilities for milking as many as 600 cows. The family expects to move into their new home from Compton within the next month.

An influx of canvassers and door-to-door salesmen brought up the question of permit cards, a project originally sponsored by the Business Men's club. President Richard Hathcock agreed to contact the chairman in charge of the project and suggest that the matter be turned over to the chamber.

Present at the meeting were Mr. and Mrs. D. L. OUR DEMOCRACY—by Mat

THE "FORTY-NINERS"...1849-1949

WHEN GOLD WAS DISCOVERED IN CALIFORNIA, THOUSANDS OF AMERICANS LEFT THEIR FAMILIES AND HOMES, TO STAKE EVERYTHING—EVEN THEIR LIVES—ON THE CHANCE OF FINDING GOLD. THEY WERE WILLING TO SACRIFICE WHAT ECONOMIC SECURITY THEY ENJOYED IN THE HOPE OF "STRIKING IT RICH."

THE SPIRIT OF ADVENTURE—OF TAKING A CHANCE—REMAINS STRONG IN AMERICA. SINCE 1849, HOWEVER, OUR ECONOMIC OPPORTUNITIES HAVE BROADENED GREATLY. THE MODERN "FORTY-NINER," IN SEEKING NEW FIELDS OF ENDEAVOR, PLACES LESS RELIANCE ON CHANCE AND MORE ON THE MEASURED RISK—GREATER RELIANCE ON THE FACTORS OF HARD WORK, INGENUITY AND THRIFT.

Two Men Injured As Car Crashes Into Market

Two men were injured, neither seriously, in an odd accident yesterday morning at the intersection of Lincoln and Grand avenues just south of Buena Park, when a runaway car crashed into a roadside market.

Carl Adler of Westminster, manager of the fruit and vegetable stand next to Hunt's market sustained cuts and bruises on his legs, and Clarence Afflict, blacksmith, resident of Harding suffered a possible broken right ankle when both were struck by the car as it crashed into the market after first ripping down highway signs and glancing off a parked automobile.

Driver of the car was Alex Egbert of Los Angeles. Egbert, driving south on Grand, failed to make the boulevard stop and the accident resulted. He stated that the brakes on his automobile failed to hold.

The injured men were taken by Crane ambulance first to Anaheim hospital and later were transferred to Fullerton hospital for observation. Al Wright, owner of the stand, estimated property damage would amount to \$300. Wright was also owner of the parked automobile which was damaged slightly.

SPEAKER AT FORUM KNOWN ANALYST

Charles Corwin White, historian and traveler, will speak on "A Thousand Years of Freedom" at the Anaheim Public Forum on Monday, March seventh. The free lecture will be given in the high school auditorium at 7:30 p.m.

White spent several years before the war traveling through Finland, Lapland, Labrador, and Canada. In 1941 he made a personal survey of public opinion concerning the United States' entry into the war. He covered more than 3000 miles, from New York to Los Angeles, by bicycle, making inquiries of hundreds of people.

During the war White served with the American Red Cross in the Pacific Coast area as field director and first aid instructor. He is now engaged in research in history, economics, and topics concerned with the relation of the United States to the rest of the world.

Two-Headed Calf Born on John Martin Ranch

A two-headed calf of grade Holstein stock was calved early Sunday morning at the John B. Martin and Sons dairy ranch at 1400 Valley View. The animal was still-born.

Dr. Robert L. Griffith, Fullerton veterinarian, estimated that had the bovine oddity survived it would have been worth \$20,000 to its owners. The fact that the two-headed animals are extremely rare, places a high curiosity value on them.

The carcass of the animal has been sent to Santa Ana for mounting and will be exhibited in the local area in the near future. It may eventually be placed in a nearby museum.

The calf, according to Griffith, had two distinct mouths, two lower jaws, four eyes, two ears and a single cranium. All of the features were perfectly proportioned and except for the head, it was a normal animal.

Had there been assistance at the time of birth, Griffith believes the two-headed animal would have lived.

New Series Of Comic Cartoons By Ernie's

In this week's issue appears the first of a series of comic cartoons which will be sponsored by Ernie's Drive-In restaurant. Marion Precie, owner and manager, hopes it will provide an advertising medium which is funny and interesting, as the reader follows the antics of the characters as they appear from time to time.

The drive-in restaurant, one mile west of Cypress at the corner of Moody street and Lincoln avenue, includes one of the finest dining rooms in this section. In addition to counter service and curb service, Marion's mother prepares delicious Spanish foods which are featured especially as part of the dining service, and allow for an attractive means of entertaining special guests and parties.

Billie Xzan was the loveliest valentine Mr. and Mrs. Bill Ogil of 9352 Walker street received on February 14. The little girl weighed seven pounds fourteen ounces.

Cypress Area Voters In Favor of Sewer Bonds

Two polling places in Cypress on Monday, February 28, reported a favorable vote toward the sewer bond election. At the Cypress elementary school, which served voters from the area south of Lincoln avenue, including Los Alamitos and Stanton, the vote was 270 "yes," and 60 "no." The precinct vote for the area north of Lincoln avenue, comprising the community of Harding and the Centralia district showed only 186 "yes" votes, 125 "no" votes, and three ballots not marked, at the polling place which was the Cypress volunteer fire station.

Closest vote was in the consolidated Irvine-El Toro precinct of sanitation district No. 7. It was the largest bond issue ever passed by the county. Never before had there been such an overwhelming vote for any bond issue.

District No. 3, comprising the west half of Fullerton, La Habra Buena Park, Westminster, Midway City, Barber City, Los Alamitos, Cypress and much rural territory, for \$1,864,000 in bonds cast 3604 yes votes and 772 no votes.

Santa Ana, major user of the system, voted heavily for the bonds, with 28 complete precincts showing 6270 yes and 728 no votes.

Threats of a quarantine of recreational ocean frontage between Newport Beach and Huntington Beach and possible state control of the entire joint outfall sewer system were factors in the election which saw about 30% of the county's 75,000 registered voters going to the 93 precincts, consolidated from the county's 276 precincts.

A new 7,000 foot, 78-inch ocean outfall to replace the much smaller .000 foot underwater outfall will be the first project to be constructed, offsetting the threatened quarantine of the beach area. There will also be a new and enlarged sewage treatment plant plus main trunk lines through much of the county.

The vote was the result of a year-long survey of sanitary engineers who had reported the new system was necessary to take care of the present county population and to handle the expected influx of population and industry which is anticipated when the new system is placed in operation. At first a \$27,000,000 issue was proposed but that was trimmed and amended to bring the bonds down to the \$3,808,000 mark.

County board of supervisors will arrange for the immediate sale of the bonds and predict that construction work probably can start within five months.

MOTHER OF POLIO VICTIM WAS FORMER CYPRESS RESIDENT

Mrs. Maurine Lukers, daughter of Mrs. Inez Pederson, former resident of Cypress, who now lives in Crescent City, is home in Long Beach after a severe seige with polio during which she spent from August until October in an iron lung in the General Hospital in Los Angeles. Mrs. Lukers made headlines in the newspapers when she gave birth by caesarian section to a baby while suffering from paralysis. It was necessary to remove her from the iron lung and make an incision in her throat through which she could breathe, with an aid of an apparatus borrowed from the army, during the birth of the baby which was perfectly normal.

Mrs. Lukers is recovering nicely and has use of all parts of her body except her upper left arm. Two of her children, who were also stricken at the same time, are back again in school.

LOCAL WOMAN IS PROMINENT BOWLER

Women who bowl from Cypress and Buena Park and other Orange county cities will participate in a national tournament in Columbus, Ohio, in April, while a team of six women will represent Orange county in a state tournament in Long Beach April second and third, according to information given by Mrs. Clyde O'Neal, Walker street.

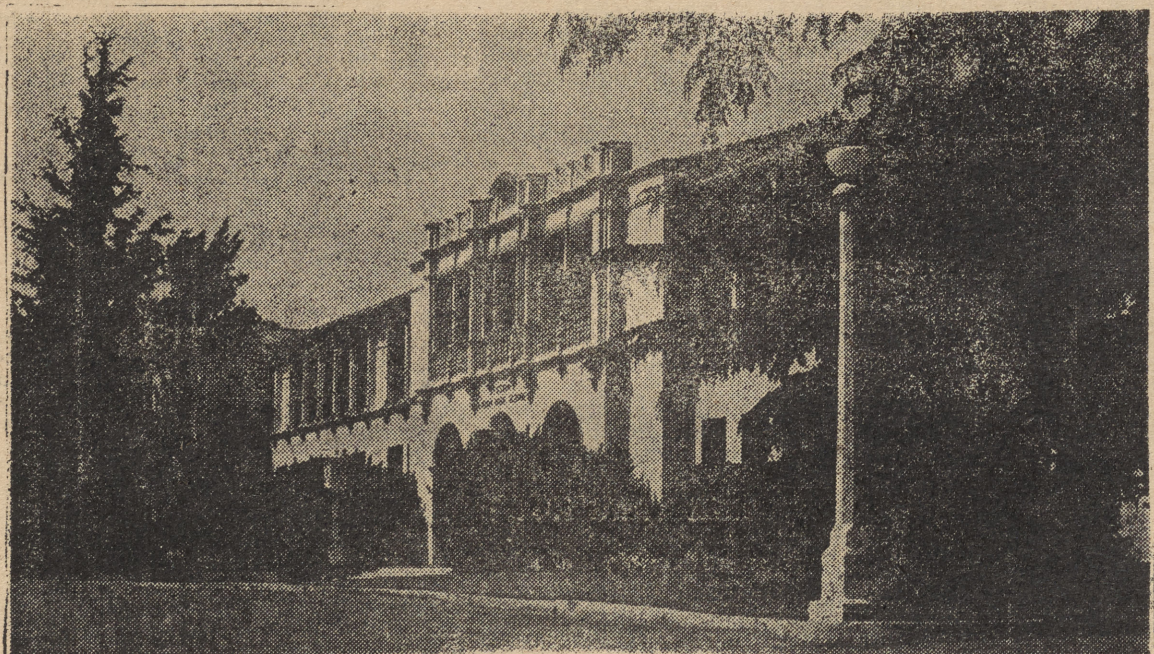

To participate with Mrs. O'Neal in the Long Beach state tournament will be Nora Varner of Buena Park; Lillian Koepfen of Cypress, and Winifred Peat and Alma Rader, both of Anaheim.

Orange County Play Goers Set For Summer As Holiday Stage Arranges Theatre in Tustin

A third summer season of professional stage plays was assured Orange county this week when executive members of Holiday Stage Inc., signed a lease for the Tustin high school from June 27 to September 3. Placing the rental at \$1500, the Tustin school board, also required the posting of a bond for \$1,000 insuring the premises against damages. Harold Turney, president, Norman Mennes, vice-president, and Florence Turney, secretary-treasurer of the corporation,

represented Holiday Stage in the negotiations.

Last summer, the second season at Tustin, Holiday Stage produced ten plays, including "I Remember Mama," "Merton of the Movies," "Claudia," "Life with Father," and "The Hasty Heart."

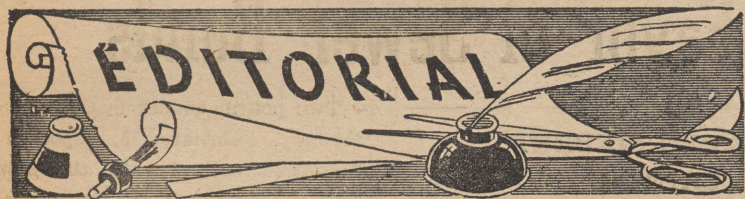

With a group of permanent professional actors, the company was augmented by stage and screen stars from New York and Hollywood — Sterling Holloway, Tom Drake, Geraldine Brooks, Oliver

Cliff, Mary Finney and Marshall Thompson.

Success greeted the second season and during the ten-week engagement more than 33,000 Orange county residents applauded the efforts of Holiday Stage in bringing professional stage entertainment to the community.

Planning a similar policy for next summer, the Board of Directors expect to announce their schedule of plays and roster of stars and players shortly.

14 MILLION IN 1960

Professor William A. Spurr of Stanford has come up with some interesting figures on California's future. In a study entitled "Forecasts of California's Population and Production 1950-1960", he estimates that we'll have 14 million residents 11 years from now. Ultimately, he thinks, our population will exceed 20 million.

As to production of goods and services, he predicts its present value of \$7 billion (based on the 1940 dollar) will climb to \$11 billion in 1960.

While these figures are most impressive they do not seem at all impossible or even improbable in the light of recent growth. People continue to come to California by the thousands every week and Eastern industries are steadily establishing new plants and offices out here.

With ample space for living (our population density is only one-eighth that of Massachusetts), and with unlimited financial resources backed by our growing wealth for the development of business and industry—these factors, together with our natural resources and strategic location in relation to the Pacific trade routes, form a sound basis for growth.

In spite of recent heavy migration, says Professor Spurr, the California population has risen almost constantly at the rate of 3.8 per cent over the past century. If the increase averages 265,000 persons annually over the next decade, as he predicts, the wide open spaces aren't going to be so wide open when 1960 arrives.

Labor disgraces no man; unfortunately you occasionally find men who disgrace labor. — Ulysses S. Grant, Speech at Arbitration Union, Birmingham, England.

MARCH 15 IS COMING

We're just reminding you of something you're well aware of already — March 15 is just around the corner. So, get out the paper and pencil now and start figuring. Don't put it off. It will be a lot easier to make up your income tax return if you aren't fighting the clock as well as the figures.

Remember, you must not only file or mail your 1948 tax report, and any payment due, before midnight of the 15th, but in certain instances estimates on 1949 income must also be made. This latter provision applies to those who expect to earn \$5000 or more during this year over the exemptions allowed for their dependents, or who will collect \$100 or more from sources other than salary or wages. These people must estimate their total 1949 income and make their first quarterly income tax payment on it by the 15th.

Preparing your income tax return isn't one of the happiest chores of the year, but why not do it with a smile? That's the way we're going to START on our zation and your responsibility. You must support it.

I RISE TO REMARK

By John Phillips

A legislative body is like an automobile. Most people think about where the car will take them. A few about the machinery which has to be in working condition if the car is to go anywhere.

The Republican Congressman from the 9th District was a member of the Committee on Committees, which assigns Republicans to their committees. He was also a member of the so-called "Steering Committee" of the party. When he was defeated in November, these two spots were vacated.

This was a chance to improve the machinery and the California Republicans decided to recommend that the jobs be separated. Your Congressman was chosen by the delegation for the Committee on Committees and Anderson of the 8th District was recommended for the Steering Committee job. I was then selected by the leadership to be one of seven men on a subcommittee to work on the committee lists, and make recommendations to the full committee.

By taking outline maps of the United States, and little stars like those we used to get for regular attendance at Sunday School, it was possible to demonstrate how the West has been overlooked in committee assignments. Little by little with the help of western and midwestern committeemen, the demonstrations are taking effect.

The next step was to reorganize the "Steering Committee," a group of progressive Republicans had been working on this for some time. The 78-79 Club started it years ago, and your Congressman was a member of that committee. I was called in to take part in a new discussion, and as chairman of a subcommittee appointed to draft the necessary resolution for the caucus, I wrote it on my Corona, with the help of four other members, from Iowa, Minnesota, Oregon and Colorado. That resolution did away with the Steering Committee and set up in its place a House Republican Policy Committee whose members are selected by the Congressmen from

Los Alamitos
To Be Inspected

Notification has been received by the Naval Air Station Los Alamitos, that Rear Admiral Richard F. Whitehead, USN, Chief of Naval Air Reserve Training and his staff will make their annual military inspection of the station and its personnel on April eighth this year. Because Los Alamitos is the largest of all the 27 stations devoted to this Naval Air Reserve Training program, it is expected that over 2000 officers and men will be present at this inspection. They come from all over the Southern California area, will converge upon the station, and form for the inspection in the huge main hangar with 40,000 square feet of floor space. It is expected that many prominent citizens of the southland will be invited to witness this huge event. Los Alamitos' compliment of officers and men is sufficient to supply pilots and crewmen to man the aviation department of five carriers.

Plans are being made whereby the Bible college of the Assemblies of God church organization, now located at 4050 Avenue 64 in Pasadena, can open in its new surroundings at the beginning of the next semester, in September. Rated as one of the finest schools of its kind in the country, the property in Pasadena was sold recently for \$150,000 to a school belonging to chiropractors, according to information received from the Reverend Clarence Eigenhuis, local pastor. The church's college will occupy 128 acres of land recently procured on the former Santa Ana army air base.

It is planned to provide an auditorium which will seat four to five thousand. The annual camp meetings this summer are already scheduled for the location, and a tent will be used temporarily.

The spacious campus and contemplated buildings for the Bible college are a matter of pride and interest to the officials and members of this church group.

SOMETHING NEW IN BRAISED MEATS

Next time you're looking for something different in the way of hearty foods to serve the family, think of braised cubes of meat. It may be something new to you but you'll like it — Cubes of meat, just like those you use in making soups. Cook them with slightly less liquid and see how delicious they are.

Proper cooking of braised meat cubes is very important. First, brown meat in a small amount of hot fat; then add a little water, seasonings, and cover, cooking slowly until tender. If you like you can put the covered utensil into the oven and complete the cooking there. An interesting way to serve the meat is to turn it into a casserole, top with mashed potatoes and brown under the broiler.

SWEET-SOUR PORK BRAISE (6 Servings)

1 lb. lean pork, cubed
1 egg
2 Tbsp. flour
1/2 tsp. salt
1/2 tsp. pepper
3 Tbsp. drippings
3 green peppers
1/2 C. pineapple chunks
2 Tbsp. cornstarch
2 1/2 Tbsp. soy sauce
1 C. sugar
1/2 C. vinegar
1/2 C. pineapple juice
Chinese noodles or cooked rice

Beat together egg, flour, salt and pepper. Thoroughly coat cubes of pork in egg-flour batter. Brown on all sides in hot fat. Cover and cook slowly for 30 minutes. Remove stems and seeds from green peppers. Cut into one-inch squares. Boil 10 minutes. Drain. Add green peppers and pineapple to meat. Cover and simmer 10 minutes. Stir and cook together cornstarch, soy sauce, sugar, vinegar, and pineapple juice until clear. Pour over meat mixture and simmer 5 minutes. Serve over Chinese noodles or cooked rice.

HAM SURPRISE
Brown cubes of ham in a bit of hot fat, along with some onion and green pepper. Add white sauce and cook until heated through. Then serve on hot corn meal muffins.

BEEF STROGANOFF (Serves 6 to 8)

1 1/2 lbs. good beef cut into finger size strips
2 medium-sized onions, chopped fine
1/2 can tomato paste
4 Tbsp. flour
2 C. beef stock
2 large bay leaves
1/4 tsp. thyme
Salt and pepper
1/2-3/4 lbs. sliced mushrooms
16-20 little white onions
1 C. sour cream
Brown beef in 4 Tbsp. of fat; remove from pan. In same pan sauté

chopped onion; stir in tomato paste and flour. Pour in stock and stir constantly until mixture thickens. Return beef to pan; add bay leaves, thyme, salt and pepper. Cover tightly, reduce heat and simmer 30 minutes. Add mushrooms and little white onions. Cover and simmer until done, about 1 hour. At the last minute add sour cream and re-season. Do not allow mixture to come to boil after sour cream has been added. Put in serving dish, sprinkle with very finely minced parsley and serve with broad noodles.

SIICIAN VEAL STEAK (Serves 4)
1 lb. veal steak, 1/2-inch thick, cubed
2 Tbsp. fat
2 Tbsp. flour
1/2 tsp. salt
1/2 tsp. paprika
1 Tbsp. lemon juice
1 Tbsp. onion, minced
1 C. hot water
1/2 C. pimiento olives, chopped
Whole olives

Brown cubes well in fat in heavy skillet. Remove meat from pan. Add flour and stir until smooth. Then add salt, paprika, lemon juice, onion and hot water. When blended, return meat to skillet, cover and simmer in sauce until tender, about 30 minutes. Add olives and cook 5 minutes longer. Garnish with whole olives.

TEXAS STEAK (4 Servings)

1 lb. round steak, cubed
3 Tbsp. onion, chopped
1 Tbsp. green pepper, chopped
2 Tbsp. fat
1 No. 2 can whole kernel corn
1/4 C. tomato juice
1 tsp. chili powder
Brown meat, onion and pepper in hot fat and pressure saucepan. Season with salt and pepper. Add corn, tomato juice, and chili powder. Cover pan, bring pressure to 15 lbs. and cook 15 minutes. Allow indicator to return to zero. Serve with oven fried potatoes.

PORK CREOLE WITH NOODLES (Serves 6)

6 oz. noodles, cooked
1 1/2 lbs. pork shoulder; cubed
1/2 C. chopped celery
1/2 C. chopped onion
1 C. chopped green pepper
1 4-oz. can mushrooms (stems and pieces)
1 10 1/2-oz. can condensed tomato soup
1 C. water
1 Tbsp. molasses
2 tsp. salt
1/2 tsp. pepper
2 Tbsp. chopped parsley
Cook noodles in boiling salted water until just tender. Brown pork in fat; add celery, onion, green pepper, cook until golden brown. Drain off excess fat. Add remaining ingredients, except noodles. Arrange cooked noodles alternately in casserole with layers of meat and sauce. Cover. Bake one hour at 350° F.

CYPRESS LOCALS

Andy Castro recently received a note of condolence from Mr. and Mrs. Al Campbell, in Rock Springs, Wyoming, since the death of his wife. The families were long time neighbors and friends. A note of nostalgia was detected for their California home as Al described the bitter winter they experienced this year.

Mrs. Jenne Hummel, 6801 Orange avenue, arrived home on February 18 from The Netherlands. She spent four months across the sea visiting friends and relatives. Returning with her on the crossing home were Mr. and Mrs. A. Vennema, who are guests in the Hummel home. They expect to remain until March 10.

Three boyhood school chums are enjoying a reunion in the Ernest Hazlett home at 8351 Moody street. Periodically the men visit together with their families for old time's sake. Spending two weeks here from La Junta, Colorado, Mr. and Mrs. Vern Miller and daughter Terry, and Lewis Stone will return to their homes this week. Miller, who is an expert builder and carpenter, has been assisting in the addition of an extra room built on the Hazlett's house. Stone, a brakeman for the Santa Fe, expects to return to a tour of duty soon with the Merchant Marines.

Mrs. Alma Ogilvie, 9321 south Walker street, was injured when the car in which she was riding, driven by her husband, John Ogilvie, was struck by a feed truck driven by Edwin K. Perry of Bellflower. The accident occurred at the intersection of Orange avenue and Denny road in the early evening on Tuesday. Anaheim community hospital, where she was taken by Crane ambulance, reports a possible fractured pelvis.

Mr. and Mrs. Ralph Scally, on Orange avenue, have announced the engagement and approaching marriage of their daughter, Velma, to Bruno Durkin of Los Angeles. The bride-elect was graduated from the Cypress elementary school and Anaheim high school, class of 1938, and has since then been employed in the office of Sears Roebuck company in their main store in Los Angeles. Her fiancé is a laboratory technician in a government hospital and served in that capacity in service overseas. A June wedding has been planned.

Mr. and Mrs. Earl Sartwell observed their twenty-first wedding anniversary last week by visiting Knott's berry farm and enjoying dinner there.

Mrs. Bill Ross and son, Billy, arrived yesterday to spend several weeks visiting the former's parents, Mr. and Mrs. R. C. Cawthon, while Master Sergeant Ross is in Washington on business.

Mrs. F. S. Walley returned from an extended visit in the midwest last Sunday evening, arriving in Los Angeles. When she entrained at Denver, the schedule was already behind two hours, and another half hour was lost en route, making her two and one-half hours late. She has many travel experiences to recount, due to the inconveniences in Iowa and Minnesota caused by the cold and snow. California and its sunny climate was a pleasant change.

Mr. and Mrs. Earl Essex have moved into the house formerly occupied by Mr. and Mrs. Harold Pugh on Bishop street. Arriving on Wednesday for a three weeks' visit are his two brothers, Howard Essex from Livingstone, Montana, and Ernest Essex from Alliance, Nebraska. Howard was a resident of Cypress for several years making his home with his parents, Mr. and Mrs. W. Essex, and was often seen riding his trained Brahma bull, Ferdinand.

Mr. and Mrs. Dan Mackey spent last Thursday in San Diego visiting the latter's brother and wife, Mr. and Mrs. M. E. Christopherson, of Salt Lake, who are wintering in California. While there a trip to Tiajuana was enjoyed.

Mrs. Anna Guthrie is rejoicing in the restoration of her sight following an operation several months ago in Los Angeles. She suffered the loss of her sight due to a detached retina.

Mrs. Irene Santhoff and Mrs. Sarah Chapman spent yesterday in Bellflower where they visited Mrs. Anna Karns, former Cypress resident. They report the illness of Mrs. Bill Johnson, Mrs. Karns' daughter, with whom she makes her home and who was a resident of Cypress for many years before moving to Bellflower.

Mr. and Mrs. "Mickey" Thomas and family have moved from Long Beach into the former Parson's home at 9161 Hansen road, where they expect to make their permanent home. Thomas is a cement finisher and contractor.

Dinner guests in the home of "Happy" and Jean Kreissler last Sunday were Mr. and Mrs. Will MacLean, formerly of Winnipeg, Manitoba, and Douglas MacLean of Los Angeles. The two men are cousins of Mrs. Kreissler's. The three cousins represent three branches of the MacLean family.

Mrs. Doris Harvey moved last week into the little house at the corner of Merton and LaSalle streets. She recently returned from Australia where she has been a resident for eight months. Her husband, Robert H. Harvey, remained in Australia, where he is employed as a civilian worker.

Leona Murdock was a guest of the Tujunga P.T.A. when it celebrated Founder's day last week. She is a past president of that organization having held office there about three years ago. In describing the rapid growth of the community in the past three years, Leona asserts that only two or three members were familiar to her, the turn-over in population has been so great.

Mr. and Mrs. Melvin Pugh and son, Ronnie, left yesterday morning for their home in San Luis Obispo, where the former is attending California Polytechnic school, after bringing home Mrs. Evan Pugh, who has been visiting them for several days.

Mrs. John McCullom of Medford, Oklahoma, is spending several weeks at the home of her brother-in-law and sister, Mr. and Mrs. John Ray Decker. Mrs. McCullom and her husband are former school teachers in Oklahoma.

Mrs. Irene Santhoff had as her recent guests, her cousins, Mr. and Mrs. Chester Patterson of Los Angeles.

Funeral services were conducted yesterday afternoon in the Huntington Park Church of the Nazarene for the Reverend Millard T. Brandeberry, former pastor of Cypress Nazarene church. Burial was made beside his wife in the Monrovia cemetery. Since the death of his wife several years ago, Reverend Brandeberry has been making his home with his son and wife, Reverend and Mrs. Paul Brandeberry of Huntington Park, the former being the pastor of the Nazarene church there.

Mr. and Mrs. K. B. Kemp have sold their home on Camp street and are moving to Phoenix, Arizona.

Mr. and Mrs. Frank Davis have received the news of the arrival of a new grandson, Thomas Tandy Moore. The parents are the Davis' son-in-law and daughter, Mr. and Mrs. W. E. Moore of Denver, Colorado. The baby, who weighed eight pounds three ounces at birth, was born on February 19.

Mr. and Mrs. Leon Ferguson left last Thursday on the streamliner from Fullerton for Baltimore, Maryland, where they were called by the serious illness of Mrs. Ferguson's father, J. Stamper. They expect to be gone for three weeks.

IMPORTANT to Kite Flyers

"When you're out flying your Kites, fly them the SAFE way!"

REDDY KILOWATT is right about that, boys and girls. The "expert" kite flyers know that it's more fun when you follow the four simple safety rules for kite flying. Here they are:

1. Fly your kite in an open field, away from electric power lines and other overhead obstructions.
2. NEVER use wire, tinsel or metallic string.
3. Be sure the string is perfectly dry.
4. If the kite catches in a power line, let go immediately. Don't pull! Phone the company owning the line and a lineman will get your kite for you.

Los Alamitos

Mrs. Frank J. Watte, Phone L. B. 35348

Lois Ann Fanning, the girl with the accordion, was really surprised by friends from her Sunday School class of the Assembly of God Church in Long Beach. Children from the church, 32 in number, were there to compliment Lois on her 14th birthday. The day following her party Lois smashed her finger, and now she will not be entertaining her friends for a while. That's rather a difficult beginning for a 14th year.

Mrs. Leah Randolph attended a special conference last week pertaining to the sponsoring of federal bills and allocation of funds to school districts whose enrollments have been affected by installation of federal projects. The Los Alamitos Naval Air Station affects us.

Camille and Alice Pattyn brought their newest daughter to St. Isadore to be baptized Sunday. Father Albert Duggan performed the baptism. Mrs. George Staute-mas was godmother, and Oscar Watte was godfather. Following the ceremony, Alice had dinner at her home for the group.

Louis Goeman, Sr., attended the funeral of his brother, Martin Goeman, who passed away in Sacramento last week. His son, George Goeman, also attended the funeral. While he was away, his other son, living in Los Alamitos, Louis Goeman, Jr., developed pneumonia. However, young Louis is improving.

August and Laura Labourdette, and the Frank J. Watte's spent Saturday evening in Los Angeles. They enjoyed dinner at Lucca's Italian restaurant, and then watched the show put on by the players at the Barbary Coast.

Fay and Lee Ellis entertained Mr. and Mrs. Bill Lowe of Southgate on his birthday, February 26, with a lovely dinner.

The monthly meeting of the St. Isadore Altar Society took place in the rectory Monday evening. The committee on the food sale reported a balance of \$33.31 received. It was decided that there will not be any food sales till after Lent, however, a bingo party will be held on March 18 at the rectory, and Mrs. Antonia Jay will be the chairman. Mrs. Fletcher reported that reservations should be made now for anyone wishing to attend the Deane meeting in Santa Ana in April. Refreshments were served by the hostesses.

At the Legion Auxiliary meeting, the topic discussed was the plans for County Council meeting at which Los Alamitos will be hostesses. The Midway City Legion hall has been engaged for the luncheon, and it will take place March eighth. Committees were appointed to handle food and decorations. A St. Patrick's color scheme will be carried out. Any member not present at the meeting should contact the president or secretary for further details.

Ronald Rae Kemp, seven pounds and 13 ounces, is the latest addition to the Ray Kemp family, 306 Green street. The boy was born at St. Joseph hospital, Santa Ana, February 24. Mother and son are doing fine.

Louisa Aguilar is a new grandmother. Her daughter, Angelina Delores, had a baby boy named Louis Lawrence, after his father and grandfather. The baby was born in Corpus Christi, Texas, on February 15. His father is in the navy.

The Laurel elementary school basketball team has a beautiful new trophy in the display case in the main building. It was presented to the school for championship in the consolation bracket, for the team did very well in the tournaments. They are members of the Varsity A Club of Anaheim high school. The deciding game was with Leora school, and Laurel won 28-21. They also won all games played in league competition. The team consists of Gabriel Vasquez, Martin Ramirez, David Perez, Herbert Bish, Phillip Otte, Willie Garcia, Manuel Flores, Charles Green and Salvadore DeLeon.

The position of crossing guard is vacant and applications are being accepted by the board of trustees of the Laurel school. The need is urgent, as the children must be protected when they cross the boulevard. Any one interested is asked to apply right away.

Driving down from Alhambra, Mr. and Mrs. Boyd Gracey and their two daughters, spent the day with the Albert Brown's on Sunday. Mrs. Boyd is Brownie's sister.

There were 58 boys and their parents at the Cub Pack 117 pot luck supper held in the Laurel School Friday night. Highlight of the evening was the presentation of badges to the clubs by Marvin Smith, Cubmaster.

The Rev. Joseph F. Hogben, widely known as "The Buckaroo Priest," is Vicar of St. Elizabeth's Episcopal Mission, Whitehocks, Utah and the Mission of the Holy Spirit, Randlett. His work with American Indians, and his visitations are made on horse-back on his favorite sorrel mare, "Princess Pet."

The new Girl Scout troop leader in Los Alamitos, is Mrs. Vera Sunderman, while Mrs. William Ford is the assistant leader. The girls are meeting in their homes for the present.

Mr. and Mrs. Bruce Green, former Los Alamitos residents are now residing on South Horst in Norwalk.

Rex and Leah Randolph, 274 Howard, were visited over the week-end by Mr. and Mrs. Joseph T. Jones of San Francisco. The Jones' made their visit a side trip from a trip to Mexico.

There has been an abundance of birthday parties this last week. Cleo Ard was given a surprise birthday party by her relatives. Mr. and Mrs. Charles Green of Long Beach (parents), her brother, Mr. and Mrs. Kermit Green, of Anaheim, and her sister, Mr. and Mrs. Darrel Stapp, of Long Beach. They brought a lovely birthday cake and gifts.

Linda Raye Layton now four years old, celebrated her birthday on February eighth. Present were Linda Sue Johnson, Cathy Stein, Timmie Raker, Robert Hazelbaker, Jimmy Poe, Roy Stockton, Barbara and Johnny Blyan, Vicky Robins, and her two little brothers. Several games were played and a heart-shaped cake and valentine candy were served.

LOS ALAMITAN IN NAVY NOW ON WORLD CRUISE

Lt. (jg) Arthur W. Jones, USN, son of Mrs. Carl W. Hickman of Pine street, Los Alamitos, recently visited Athens, Greece and Istanbul, Turkey, while serving aboard the aircraft carrier USS Tarawa with the Eastern Atlantic and Mediterranean forces under the command of Admiral Richard L. Conolly.

The Tarawa is currently on a world cruise and has received visiting dignitaries of various foreign countries.

Artesia Hospital Has New Owner

News of interest to Cypress residents is that of the sale of the Artesia hospital and palatial home of Dr. C. L. Ahrens to Dr. Russell B. Clark of Long Beach. Dr. Ahrens has many friends and patients in Cypress area who will be sorry to hear of his contemplated move to Long Beach.

Dr. Clark has resided at 4826 Shaw street in Long Beach since last summer where he completed a residence in surgery. He was graduated from Northwestern University and formerly served as a surgeon at Cook County hospital in Illinois. He practiced in Chicago for 17 years. Dr. Cook, with his wife and three children, Beverly, John and Barbara, moved into their new home about March 1.
